TUUBA Champagne Bowl

The champagne cooler as a luminous design object. The shape is kept simple, functional and appears therefore even more elegant. To keep your noble beverages cool just fill the big bowl made of satined plexiglass with crushed ice and six bottles of champagne maximum. Of course, TUUBA ICE can easily be labeled with your company logo.

Scope of delivery

Bowl made of acrylic glass. The table top will be replaced by the bowl.

Recommended accessories kit

To use the bowl a TUUBA bar table either of 50 cm or 60 cm is necessary.
